

From the desk of
Benni Versaci

As we come to the close of 2021, I would like to take this opportunity to thank you for choosing Spectrum Care Management and Counseling as your Support Coordination agency. You are at the center of everything we do. While the past two years have been challenging for the world, our Support Coordinators continue to forge ahead to find support to make life easier and more productive for those we serve.

We look forward to 2022, hoping that new services and supports will allow you to reach new heights. We truly appreciate you, and we're so grateful for the trust you've placed in us.

Sincerely,

Benni Versaci and your Spectrum Support Team
